PROVEN PERFORMANCE

The Zodiac G2 has a tried and tested history and has grown to legend status over the years making it Australia's favourite automatic pool cleaner. Its intelligent design is what has made it the cleaner of choice for most Australian pool owners, keeping self-maintenance to a minimum.

EXCEPTIONAL DURABILITY

Tough design and extremely robust construction materials keep the Zodiac G2 performing at its peak year in year out. From the long wearing foot and disc that continuously scrubs away right through to the genuine long life Baracuda hose, the Zodiac G2 is made to last, keeping you free to enjoy your pool more. The Zodiac G2 is backed by a hassle free 2 year warranty.

DIAPHRAGM TECHNOLOGY

The Zodiac G2 has only one operational moving part - the diaphragm. No gears, wheels or flappers means simple operation that ensures peak performance, maximum power and low cost maintenance. The AD flow valve allows for precise water flow even with lower horsepower pumps keeping the Zodiac G2 operating at its optimal performance longer.

DO IT YOURSELF

Supplied with Baracuda long life hose, installing the Zodiac G2 is quick and easy. The quick release cassette makes this the ultimate in self-maintenance, simply remove and service - all at your poolside, no need to waste time and money.
